Week 3, Term 3. 8th – 12th Aug 2022

Dear Parents, Caregivers & Friends,

We have our dairy farm visit confirmed for Friday 2nd September, please note the change of date. This is our first trip as part of our school wide Farming/Primary Industries study. A huge thank you to Matt and Elisha Wade for hosting us. Please return the transport/permission slips to school ASAP. We are currently working with other venues such as The Bostock Chicken Farm for a visit later in the term.

Congratulations to three of our rugby players who have been selected into the CHB Rugby Reps. Leo Baker and Wallace Natusch have been selected into the 8th Grade Reps, and Lucas Hampton has been selected into the 11th Grade Reps. Good luck boys for your up and coming annual fixtures against Dannevirke.

Cross Country is approaching fast and our students are training well. Please see the attached information and return the permission slip to school ASAP. Please remember that this is a day where we hope that all parents can contribute to helping run the food stall or being a marshal on the course. This allows all parents to watch the races that their own children are running in. Thank you to Jenny and Colin Schaw for hosting us this year.

In two weeks' time we are off to the Science Roadshow in Dannevirke. Please see the attached information/permission slip and return to school ASAP.

There is a Scarecrow Competition in Tikokino this Saturday! See the information regarding this community event on the opposite page. Have fun everyone!

Have a great end to the week, it will be nice to see the sun after this past cold and wet week.

Regards,
Hamish

Student of the Week

Room 1: Allie for her positive attitude.

Room 2: Monte & Hailey for fantastic writing.

Room 3: Willow for always setting a good example to others.

Congratulations to Leo, Lucas and Wallace who have made the CHB Rugby Reps for their age levels.

Hayley and Monte check out their crystals that they are growing as part of last terms science unit.

Kiera, Reid, Hunter and Johnny get stuck into their maths with Jo.
