Week 8, Term 3, 12th – 16th September 2022

Dear Parents, Caregivers & Friends,

What a great day Friday was for our annual Cross Country with Ongaonga, Sherwood and Argyll with the weather playing its part to remain dry until we had zipped the gazebos into their bags! Our students were fantastic, with everyone giving their absolute best, no matter where they were placed in the race. We obviously have students who were aiming for 1st, and we have students who were aiming to complete the course without walking. We are equally proud of everyone. After 9 years of trying to win the overall top school, we finally won the trophy! Well done everyone. A huge thank you to all parents who helped on the day either in the food stall or out on the course as a Marshall, the day cannot run without you!

Our Year 7 & 8 Mathletics competed in the annual Hawke's Bay event Tuesday night up in Hastings and can be proud of their achievements. We did very well to be around midway in the field, competing with some schools with around 200-300 students!

Good luck to our CHB Interschool Cross Country Team who are competing today. I look forward to updating you on how they go.

The free tickets which were won to go to the Magpie's game on Saturday were put to good use. A number of families got there to watch The Bay defend the shield against Southland. The kids loved the day out and got a chance to get signatures and a photo with the shield following the game.

With it being Maori Language Week, children have enjoyed refreshing their pepehas. Well done everyone for giving it a go.

Practices for Magpie Manner are progressing well, but one cannot help but feel, time is really flying by!

We have Three Way Conferences in week 10, Tuesday 27th & Wednesday 28th September. Please return the booking slips to the office ASAP. We really look forward to sharing your child or children's progress with you.

We look forward next Friday, 23rd September.

Regards,
Hamish.

Student of the Week

Room 1: Dalby for working hard.
Room 2: Hannah for her excellent literacy skills.
Room 3: Jay for getting his work done with a positive attitude.
