Week 2, Term 4, 25th-28th 2022 October 2022

Dear Parents, Caregivers & Friends,

Thank goodness we've had a change in the weather from earlier this week. Tuesday was so cold it felt like a very brisk Winter day and on Wednesday we had a few children return to school with some little sniffles. Thankfully today is beautifully warm and the Room 1 and 2 students have been enjoying sometime in the sun.

Room 3 have been enjoying their time in Wellington. On Tuesday they went to Mt Bruce and saw some absolutely massive eels then after that they went swimming and sliding down waterslides. Room 3 have also visited parliament, done a bit of shopping, fishing, making a TV show and today they're off to Weta Workshop!

Room 2 have their camp on the 10-11th November at Wakarara. Please complete the medical form attached for this and return it to school as soon as possible.

Next Friday on November 4th we will be attending the athletics day at CHB College. It's always a great day and further information will be coming home later this week regarding this.

Kia pai to ra whakata (Have a great weekend)!
