Week 3, Term 4, 31st Oct – 4th Nov 2022

Dear Parents, Caregivers & Friends,

Room 3 camp to Wellington was a great success. Everything went to plan with students enjoying a range of different activities from visiting parliament, Weta Workshop, Capital E, Wellington Zoo, fishing off the wharf (caught one Kawhai), Te Papa Museum, jumping off the 7 metre dive platform on the waterfront, and racing around the track at Daytona Go-karts! Thank you to our parents, Mel, Gine, Claire, Matt and Mark who came too, and helped make it a successful week.

Room 2 are looking forward to their Wakarara Camp next Thursday and Friday. We are very fortunate to have an excellent number of parents attending too. We have a parent information evening on Tuesday 8th November @ 7:00pm.

Room 1 has their overnight camp at school approaching very quickly too, being Friday 25th November. Information will come home regarding this next week. Please note, all students must have a parent attend this camp.

Our annual Athletics Day with Argyll and Sherwood is tomorrow. The weather looks great and our students have been practicing well. Please see the attached transport sheet, thank you once again parents for your continued support.

Either love it or hate it, the Flemington Mud Run is on Sunday 20th November. This is an excellent event to get people out of their comfort zones! Let's get a heap of entries from Tikokino to show that Tikokino is a school and community that love to get out there and do events like these.

Thank you to Tyson who has been working on the pool changing sheds. The pool will be up and running by the end of next week. This is good timing as NIWA is predicting a very warm November.

We hope to see you all at Athletics tomorrow and have a great weekend.

Regards,
Hamish

STUDENT OF THE WEEK:

Room 1: Johnny for working hard on his writing.
Room 2: George for his creativity in writing.
Room 3: Murphy for contributing positively, especially on camp.

Welcome to School Tadhg aged 5 and Athena-Rose aged 8.

Our students take part in the Winter Warmers Programme through the CHB Libraries. Here they are celebrating receiving books for finishing their reading.

Our 5 Touch Rugby teams made a great start on Monday afternoon.
