

Dear Parents, Caregivers & Friends,

We had a number of students, and a few parents, take part in the Mud Run on Sunday. What a heck of an event it is, certainly takes one out of their comfort zones! In planning for next year, we will enter an event as a whole school that is more family friendly.

We have our Music Concert next Thursday evening @ 5:30pm. This is an excellent celebration of our music students' hard work. Thank you to Gine for all the work she is putting into this. We are mindful of time, so we will have a number of students play in small groups.

Our Interschool Athletics team competed well on Tuesday evening until the rain hit! Fortunately, we will meet again on Tuesday to finish the remaining events. We have a number of students who have made the sprint finals or are still waiting to compete in the jumping.

We are excited to be holding our Ngati Whai Performance and Hangi on Wednesday 7th December at 5:30pm. This year we have opened it up to the Tikokino Community. Please see the attached invite. Also, it is vital that all families inform Kate Archer in the office, what size hangi meal they will need.

On Tuesday next week, we are off to see Ongaonga's school production. You would have received the letter and permission slip. Please return it to school ASAP.

On Friday evening, our seniors are competing in the CHB Top School event. This is a number of challenges to test our students' ability to work together as a team. Good luck team!

Room 1 students have their overnight camp at school tomorrow night. We look forward to swimming, students' cooking their own dinner on camping cookers, treasure hunt, roasting marshmallows on open fires, watching a movie and sleeping in tents.

Have a great weekend.

Regards,
Hamish.
